Secondary Contact	RJ Ramoutar	437-219-9728

Event Run Sheet

TIME	**TASK**	**RESPONSIBILITIES**
10:00-12:45	Departure	• Arrive in Wetmore Lounge by 10:10. • VMs will ask for multiple rounds of ELs throughout the morning. Decide amongst yourselves who will leave when.
Between 10:20-1:45	Transit to Woodbine	• Refer to "Detailed Transit Instructions" for further information. • Stay vigilant for safety concerns along the travel route. Adhere strictly to the travel plan and ensure NewC's in your group know to stick together so you can monitor their safety to the best of your ability. • Send Conor their expected messages promptly at every arrival and departure. If Discord fails, text me (phone # above).
While at Woodbine	Outer Perimeter Monitoring	• Monitor and walk along the green outer perimeter depicted in the diagram below. Ensure NewC's are participating in games safely and that they are aware of where our monitoring boundary lines end. Stay vigilant for NewC's who may be in need of hydration or who are interacting with members of the public.
Between 1:45-4:00	Departure	• Diligently monitor your Discord for all communications from Execs/OCs/staff – we will begin sending departure groups shortly.
Between 1:45-4:45	Transit to New	• Refer to "Detailed Transit Instructions" for further information. • Stay vigilant for safety concerns along the travel route. Adhere strictly to the travel plan

		and ensure NewC's in your group know to stick together so you can monitor their safety to the best of your ability. • Send Conor their expected messages promptly at every arrival and departure. If Discord fails, text me (phone # above).

Additional Information

Detailed Transit Instructions (to be printed & included)

Weather Plan

In the event of inclement weather execs will gather EL's to begin the WOODBINE TO NC travel route ahead of schedule.
