TIME	**TASK**	**RESPONSIBILITIES**
14:50-15:30	Setup	• Meet Conor in the Quad at 14:50. You will receive 3 or 4 posters and some tape. Please tape the posters onto the appropriate tables using the schematic below as a reference • Clubs will begin arriving around 3pm. Please assist them to their assigned table.
15:30-17:15	Student Centre Animation	• Once all clubs have been situated, head downstairs into the Student Centre. Connect with Shari to see if she requires any assistance with facilitating the space, then 'set up camp' at the foot of the stairs. • Greet students at the staircase and warmly welcome them to the Student Centre. Explain that the Student Centre houses 17+ student organizations as well as facilities for all students to make use of, such as a kitchenette and lounge space. Bring students down the hallway to the Student Centre and let them explore the Centre independently. • Follow Scout and Shari's direction for further instruction.
17:30-17:45	Clean-Up	• Do a sweep of the Student Centre. Get rid of any garbage that's accumulated and generally ensure the space is clean. • Once the Student Centre is spotless, return upstairs to the Quad to assist everyone else in dismantling the Clubs Fair.

Weather Plan

Please use this space to highlight any changes that will be made to the program in the event of inclement weather. This should include: back-up location; instructions for changes in set up, activities, etc.; and any other changes relevant to ELs.

- In case of rain, our backup location is the Wetmore dining hall.
- Conor will communicate to all ELs in Discord that we are initiating the rain plan.
- Please exit the Student Centre, move back outside, and help Conor and Rana relocate clubs' indoors – hold things, move things, point them to tables they can use, etc.
