Please use this space to highlight any changes that will be made to the program in the event of inclement weather. This should include: back-up location; instructions for changes in set up, activities, etc.; and any other changes relevant to ELs.

This is an indoor event so there is no alternative plan to accommodate inclement weather. If there is a change in the schedule due to a weather plan coming into effect, Wilson Lounge may become crowded. Don't be afraid to take charge to ensure flow within the space.
