Event Run Sheet

TIME	**TASK**	**RESPONSIBILITIES**
11:30-12:00	Meet & travel	• Meet Conor, Orientation Execs, and other ELs in the Fishbowl at 11:30. You will receive a roll of tape and an earplug packet. • We'll travel to Goldring together.
12:15-12:30	Setup	• Conor will give you their laptop. Please connect with Goldring staff and connect Conor's laptop into the A/V system. • Ensure that the sound snippets for Finish the Lyric are pulled up and ready to go. • Begin playing the orientation playlist.
12:30-12:45	Welcoming	• Stand by the right doors (from POV of someone entering the space). Meet PLs and confirm their group # (you should have mostly/only even numbers). Walk them to the section where they'll be sitting, instruct PLs to fill columns and move right --> left, then go back to the door and wait for the next group. • In case there's any gaps left in the seating once everyone is sat, help facilitate people scooting over until they're closed. • Sit down in the front row of the bleachers once all NewCs and PLs are situated.
12:45-14:00	Spirit activities	• Be prepared to offer peer support to NewCs if needed (e.g., water, needing a quiet space, needing ear plugs). • Speeches: listen attentively. Clap loudly. • Finish the lyrics: participate in the leader Finish the Lyric (Wake Me Up by Avicii). Cheer LOUDLY between songs. • Flash mob: stand up once DJ Got Us Falling In Love starts playing and you hear Conor say "technical difficulties."

		• NEW photo: help other ELs and PLs get NewCs situated for the photo, then direct NewCs to their stream banner. • College chant practice: participate loudly.
14:00-14:15	Clean-Up	• Turn on the exit playlist for ambience as folks exit. • Collaborate with other OLs to support an orderly exit out of Goldring: closest group to the door exits first, then the remaining groups one after the other. • Disconnect Conor's laptop from the A/V system and return it. • Collaborate with other OLs to scan for trash or lost possessions before vacating the premises.

Weather Plan

As this event takes place inside, and the only suitable venue is Goldring, we will disseminate ponchos to NewCs & OLs for the walk there. We are reusing the ponchos, so you **must collect them from the NewCs upon the conclusion of the event.** We will also encourage the usage of umbrellas.
