Weather Plan

Please use this space to highlight any changes that will be made to the program in the event of inclement weather. This should include: back-up location; instructions for changes in set up, activities, etc.; and any other changes relevant to ELs.

This event is indoors so there is no plan in place to accommodate inclement weather. In the event there is inclement weather, there may be a sudden increase in attendance. Accommodate this by helping NewC's find a place to get seated in the Doo.
