TIME	**TASK**	**RESPONSIBILITIES**
10:00-11:30	Set-Up	• Meet Conor and Rana in the Fishbowl at 10am. You will receive a box of materials for your station (mostly just snacks & refreshments). • Conor will walk the path of Route 1 and drop off station ELs sequentially. When we get to Robarts, Conor will direct you to where you need to be set up. • You will receive 8 tissue boxes, many tape rolls, and quite a few ping-pong balls. You need to place all of the ping-pong balls inside the tissue box and make sure you are easily able to peel the tape. • Conor will visit your station before the event starts to confirm that you feel confident.
11:30-13:20	Facilitate	• This event is themed. We're calling NewCs "Sailors" and simulating that they're pirates searching for treasure. Your story is that the Captain of the ship just had their hand bitten off by a crocodile. • Once NewCs arrive at the scene, set a timer for 8 minutes. • Select one NewC (the "Captain") and ask them to hold out their hand, palm up. Get their consent before touching them & ask for allergies. Place the tissue box in their hand and FIRMLY tape their hand to it. So Much Tape™. • Then, the NewC has to shake their hand really aggressively and try to get all the pingpong balls out. • Disseminate hints once 8 minutes is up OR once all the ping pong balls have been shaken out

		• If folks wrap up super early, feel free to do multiple rounds
13:20-13:45	Clean-Up	• Ensure you have all the ping pong balls • Dispose of tape and ruined tissue boxes in the proper receptacles – don't litter! • Return materials to 500U.
