Event Run Sheet

TIME	**TASK**	**RESPONSIBILITIES**
10:00-11:30	Set-Up	• Meet Conor and Rana in the Fishbowl at 10am. You will receive a box of materials for your station (mostly just snacks & refreshments). • Rana will walk the path of Route 2 and drop off station ELs sequentially. When we get to Hart House, Rana will direct you to where you need to be set up. • You have no set up to do other than reviewing the prompts to start the message chain and finding a nice space to sit (or stand!) • Rana will visit your station before the event starts to confirm that you feel confident.
11:30-13:20	Facilitate	• This event is themed. We're calling NewCs "Sailors" and simulating that they're pirates searching for treasure. • Once everybody arrives, you will set an 8-minute timer and gather them into a circle. Be mindful of access needs – some folks might not have a sit-on-the-ground body or a stand-for-long-time body • This event is essentially a game of Telephone. Direct folks to whisper what they hear into the ear of the person immediately next to them. Whisper the first prompt into the ear of a NewC you're elbow buddies with, and they should whisper it to the person next to them. So on and so forth. The idea is that as time goes on, what people hear gets less reliable, so by the end the result should be rather different from what was initially said. • Once it gets back to you, reveal what was said in

		your ear and then reveal what you initially said. • Folks win after 3 rounds or after 8 minutes, whichever is first. Disseminate hints.
13:20-13:45	Clean-Up	• Ensure there's no litter and walk back to New College
